

HALF DAY PRIVATE TOUR

NGON RAO REMOTE RIVER KAYAK ADVENTURE

Experience an incredible adventure out of Phong Nha on this half-day kayaking adventure. As you paddle down the river with your guide, you will be inspired by the nature, the crystal clear waters, and the traditional farming routines practiced by the local people.

You'll travel to the remote village of the Ngon Rao where you will take your kayak and paddle and start heading down-stream, experiencing local life along the river as you pass through local towns and farming communities.

This is a different remote area to our full-day remote kayaking adventure, and a bit easier to paddle, being only 7 km. It's still as much an adventure though and gives you a taste of this beautiful mountain range in Central Vietnam. You will continue down the river until you reach Vực Chèo in Lam Trach commune, where you will then experience a short walking tour through Trooc Village, visiting fruit

gardens, pepper gardens, ginger farms, turmeric farms etc., and meeting the local families.

This tour is suitable even for those without kayaking experience, as we will take our time and go at the speed of our guests. Bring a bathing suit as you will have a chance to take a dip in the river at Vuc Cheo. Lunch is also included at this point.
