

4-HOUR PRIVATE TOUR

PHONG NHA BICYCLE ADVENTURE

Our 4-hour Phong Nha by Bicycle Tour will give you an opportunity to get up close with village life in Phong Nha.

The tour will start with a gentle cycle through Phong Nha to a special monument built on the edge of town. You will then continue along the riverbanks to the canoe ferry service to take our guests and bikes across the river to Tram Village. This cute little town, with friendly children running around, will give guests their first glimpse of rural village life outside Phong Nha.

After 30 minutes peddling through this town we will reach a suspension bridge which will take guests over to the second village, Me, where the journey continues. The guide will stop at a number of houses to say hello to some of the friendly locals, before proceeding to the next village

This fascinating guided cycling tour will end in Chay Lap Village, where you'll have a chance to have a cool dip in the river and a cold beverage at Chay Lap Riverside before taking a vehicle back to your accommodation in Phong Nha.

This private tour is suitable for all ages so long as they can fit our bicycles. It's a great day out and can always be customized based on the fitness levels of the group. Our support vehicle is always on call to assist guests should they wish to have a break or head back to Phong Nha earlier than planned.
